Police raid Warren with the TRG.

After telling us all that police cannot spare the resources to adequately protect us from crime, especially in our rural areas, they pulled out the Tactical Response Group to raid Farmers suspected of illegal land clearing. Receiving tip offs from green groups and using satellite imaging the police swooped on at least a dozen farms in the Warren district. They found NO evidence of illegal land clearing, however, in stead finding that the drought was responsible for vegetation die back. Gee, go figure.

In light of this lunacy and with public confidence in politicians at an all time low, One Nation now requires all candidates to swear an oath to the people of Australia. So, for your interest, here it is below.

OATH OF ALLEGIENCE

The Oath. Spoken together, with a firm and projected voice.

“I, (FULL NAME) , pledge this allegiance to One Nation Australia. That I shall conduct myself with decorum and at all times uphold our party’s integrity, for the welfare, security and prosperity of the people of Australia. For the support of this declaration, with firm reliance on the protection of divine providence, we mutually pledge to each other, our honesty and loyalty, our unwavering support and our sacred honour. This, I swear, before almighty God. The Federation of Australia and her Commonwealth, and, her majesty, Queen Elizabeth the second. So help me God.”

OUR TOAST

Our toast: Spoken together as with the Oath. With a firm and projected voice.

“We toast to One Nation, Our Nation, Australia.”
