

# **IF ONE NATION HELD THE BALANCE OF POWER IN THE SENATE—AUSTRALIA,**

- WOULD NOT HAVE THE G.S.T!**
- WOULD STILL OWN TELSTRA!**
- OUR FARMERS WOULD PREVALE!**
- WOULD HAVE NO DICTATORIAL INDUSTRIAL  
RELATIONS LAWS!**
- THE LAW WOULD NOT BE RETREATING FROM  
THOSE TERRORISING THE AUSTRALIAN  
COMMUNITY!**

**THINK HARD BEFORE THE 2007 ELECTIONS!**

**THE TWO MAJOR PARTIES HAVE LIED, SOLD  
US OUT AND TREATED US LIKE MUSHROOMS!**

**It appears so far that they have been proven correct in their assumption of us as a people. Their actions have been treasonous, but the people do not seem aware that by continuing to support the two major parties is to continue Australia's decline in wealth, Living standards and virtually creating a morally and financially bankrupt country for their children to inherit.**

**IS THIS YOU?**
